### “I’ll Fully Guarantee Your Satisfaction!”

I’ve covered no-till for nearly 50 years, and I’ve picked up hundreds of new no-till techniques, tips and strategies during the first 28 years of the National No-Tillage Conference to share with *No-Till Farmer* readers.

That’s why if – after attending the National No-Tillage Conference – you don’t feel the event is everything we promise, write to us and we’ll send you a full 100% refund of your registration. And you can take up to 6 months to decide so you can personally measure the return on your learning experience.

For 49 years, no-tillers have trusted *No-Till Farmer* to deliver unbiased no-tilling information. Hosting this annual event is still another way for us to help you continue your no-till education, not just through the talented and informative speakers and classroom presenters, but with the valuable networking opportunities that occur through the No-Till Roundtables and hallway conversations.

This unsurpassed guarantee ought to convince you that we’re worthy of your trust and attendance at the 29th annual National No-Tillage Conference coming up this January 12 to 15, 2021.

See You in Indianapolis!
